

Brainwashing – A Synthesis of the Russian Textbook on Psychopolitics from the Conclusion to *The Rewriting of America’s History – Updated*

by Catherine Millard © 1991; 2011; 2021.

The word “brainwashing” isn’t a popular concept in such an enlightened and civilized Republic as the United States of America today. Yet, believe it or not, this is what has occurred, but in such a subtle and underhanded manner, using major U.S. channels of communication, so as to deceive the most astute of her citizens. Psychopolitics is the technical term for brainwashing. It is:

The art and science of asserting and maintaining dominion over the thoughts and loyalties of individuals, officers, bureaus, and masses and the effecting of the conquest of enemy nations through “mental healing.”

What I am about to share with you is taken directly from a book entitled *Brainwashing – A Synthesis of the Russian Textbook on Psychopolitics* compiled by a former card-carrying Communist, **Kenneth Goff** of Englewood, Colorado. For this invaluable contribution to the American people, Goff was assassinated.

In his preliminary “Editorial Note” to the Synthesis, Goff states:

“From May 2, 1936, to October 10, 1939, I was a dues-paying member of the Communist Party, operating under my own name Kenneth Goff, and also the alias John Keats. In 1939, I voluntarily appeared before the Un-American Activities Committee in Washington, D.C. which was chaired at that time by Martin Dies, and my testimony can be found in Volume 9 of that year’s Congressional Report.

During the period that I was a member of the Communist Party, I attended their school which was located at 113 E. Wells St., Milwaukee, Wisconsin, and operated under the name Eugene Debs Labor School. Here we were trained in all phases of warfare, both psychological and physical, for the destruction of the Capitalistic society and Christian civilization. In one portion of our studies we went thoroughly into the matter of psychopolitics. This was the art of capturing the minds of a nation through brainwashing and fake mental health – the subjecting of whole nations of people to the rule of the Kremlin by the capturing of their minds. We were taught that the degradation of the populace is less inhuman than their destruction by bombs, for to an animal who lives only once any life is sweeter than death. The end of a war is the control of a conquered people. If a people can be conquered in the absence of war, the end of the war will have been achieved without the destructions of war.

Kenneth Goff pictured in October 10, 1939 article, headlined: “Roosevelt Names used by Red Chiefs, says Dies Witness”.

During the past few years I have noted with horror the increase of psychopolitical warfare upon the American public. First in the brainwashing of our boys in Korea and then in the well-financed drive of mental health propaganda by left-wing pressure groups, wherein many of our states have passed Bills which can well be used by enemies of America to subject to torture and imprisonment those who preach the gospel of our Lord and Saviour Jesus Christ, and who oppose the coming of Communism. A clear example of this can be seen in the Lucille Miller case. In this warfare the Communists have definitely stated: “You must recruit every agency of the nation marked for slaughter into a foaming hatred of religious healing.”

Another example of the warfare that is being waged can be seen in the attempt to establish a mental Siberia in Alaska, which was called for in the Alaskan Mental Health Bill. A careful study of this Bill will make you see at once that the land set aside under the allotment could not be for that small territory, and the Bill within itself establishes such authority that it could be turned into a prison camp under the guise of mental health for everyone who raises their voice against Communism and the hidden government operating in our nation.

This book was used in underground schools, and contains the address of Beria to the American students in the Lenin University prior to 1936. The text in the book in general is from the Communist Manual of Instructions of Psychopolitical Warfare, and was used in America for the training of Communist cadre. The only revision in this book is the summary, which was added by the Communists after the atomic bomb came into being. In its contents you can see the diabolical plot of the enemies of Christ and America, as they seek to conquer our nation by subjecting the minds of our people to their will by various sinister means.

This manual of the Communist Party should be in the hands of every loyal American, that they may be alerted to the fact that it is not always by armies and guns that a nation is conquered.

Kenneth Goff.”

An address by **Levrenti Pavlovitch Beria** is then quoted, as follows:

“American students at the Lenin University, I

welcome your attendance at these classes on Psychopolitics. Psychopolitics is an important, if less known, division of Geo-politics. It is less known because it must necessarily deal with highly educated personnel, the very top strata of “mental healing.” By psychopolitics our chief goals are effectively carried forward. To produce a maximum of chaos in the culture of the enemy is our first most important step. Our fruits are grown in chaos, distrust, economic depression and scientific turmoil. At least a weary populace can seek peace only in our offered Communist State, at last only Communism can resolve the problems of the masses. A psychopolitician must work hard to produce the maximum chaos in the fields of “mental healing.” He must recruit and use all the agencies and facilities of “mental healing” until at last the entire field of mental science is entirely dominated by Communist principles and desires.

To achieve these goals the psychopolitician must crush every “home grown” variety of mental healing in America. Actual teachings of James, Eddy and Pentecostal Bible faith healers amongst your misguided people must be swept aside. They must be discredited, defamed, arrested, stamped upon even by their own government until there is no credit in them and only Communist-oriented “healing” remains. You must work until every teacher of psychology unknowingly or knowingly teaches only Communist doctrine under the guise of “psychology.” You must labor until we have dominion over the minds and bodies of every important person in your nation. You must achieve such disrepute for the state of insanity and such authority over its pronouncement that not one statesman so labeled could again be given credence by his people. You must work until suicide arising from mental imbalance is common and calls forth no general investigation or remark.

With the institutions for the insane you have in your country prisons which can hold a million persons and can hold them without civil rights or any hope of freedom. And upon these people can be practiced shock and surgery so that never again will they draw a sane breath. You must make these treatments common and accepted. And you must sweep aside any treatment or any group of persons seeking to treat by effective means.

You must dominate as respected the fields of psychiatry and psychology. You must dominate the hospitals and universities. You must carry forward the myth that only a European doctor is competent in the field of insanity and thus excuse amongst you the high incidence of foreign birth and training. If and when we seize Vienna you shall have then a common ground of meeting and can come and take your instructions as worshippers of Freud along with other psychiatrists.

Psychopolitics is a solemn charge. With it you can erase our enemies as insects. You can cripple the efficiency of leaders by striking insanity into their families through the use of drugs. You can wipe them

away with testimony as to their insanity. By our technologies, you can even bring about insanity itself when they seem too resistive.

You can change their loyalties by psychopolitics. Given a short time with a psychopolitician you can alter forever the loyalty of a soldier in our hands or a statesman or a leader in his own country, or you can destroy his mind.

However, you labor under certain dangers. It may happen that remedies for our “treatments” may be discovered. It may occur that a public hue and cry may arise against “mental healing.” It may thus occur that all mental healing might be placed in the hands of ministers and be taken out of the hands of our psychologists and psychiatrists. But the Capitalistic thirst for control, Capitalistic inhumanity and a general public terror of insanity can be brought to guard against these things. But should they occur, should independent researchers actually discover means to undo psychopolitician procedures, you must not rest, you must not eat or sleep, you must not stint one tiniest bit of available money to campaign against it, discredit it, strike it down and render it void. For by an effective means all our actions and researches could be undone.

In a Capitalistic state you are aided on all sides by the corruption of the philosophy of man and the times. You will discover that everything will aid you in your campaign to seize control and use all “mental healing” to spread our doctrine and rid us of our enemies within their own borders.

Use the courts, use the judges, use the Constitution of the country, use its medical societies and its laws to further our ends. Do not stint in your labor in this direction. And when you have succeeded you will discover that you can now effect your own legislation at will and you can, by careful organization of healing societies, by constant campaign about the terrors of society, by pretense as to your effectiveness, make your Capitalist himself, by his own appropriations, finance a large portion of the quiet Communist conquest of the nation.

By psychopolitics create chaos. Leave a nation leaderless. Kill our enemies. And bring to Earth, through Communism, the greatest peace Man has ever known.

Thank you.
Lavrenti Pavlovitch Beria”

(March 29, 1899 – December 23, 1953 Deputy Premier of the Soviet Union under Georgi M. Malenkov until his arrest for “high treason” in July, 1953; reportedly executed by a firing squad December 23, 1953).

It is my firm belief, based upon thirty years’ indepth research and study, in formulating eighteen books on the crucial subject of America’s Christian heritage, symbols, history, and evidence of their rapid elimination from the very records of United States history, that

Psychopolitics lies behind the sinister plot to disarm this nation of her greatest strength – faith in God, Christ and the Bible, and to subsequently enslave the American people to a ruthless foreign rule.

Kenneth Goff's exposé of *Brainwashing – A Synthesis of the Russian Textbook on Psychopolitics* contains 16 chapters, defined as follows: I. The History and Definition of Psychopolitics; II. The Constitution of Man as a Political Organism; III. Man as an Economic Organism; IV. State Goals for the Individual and Masses; V. An examination of Loyalties; VI. The General Subject of Obedience; VII. Anatomy of Stimulus – Response Mechanisms of Man; VIII. Degradation, Shock and Endurance; IX. The Organization of Mental Health Campaigns;

X. Conduct Under Fire; XI. The Use of Psychopolitics in Spreading Communism; XII. Violent Remedies; XIII. Recruiting of Psychopolitical Dupes; XIV. The Smashing of Religious Groups; XV. Proposals Which Must be Avoided; and XVI. Summary."

Directly related to the contents of *The Rewriting of America's History – Updated* are the following excerpts from this Synthesis:

The strength and power of Psychopolitics cannot be over-estimated, particularly when used in a nation decayed by pseudo-intellectualism, where exploitation of the masses combines readily with psychopolitical actions, and particularly where the greed of Capitalistic or Monarchial regimes has already brought about an overwhelming incidence of neurosis which can be employed as the ground work for psychopolitical action and a psychopolitical corps...

In a nation under conquest such as America, our slow and stealthy approach need take advantage only of the cycles of booms and depressions inherent in Capitalistic nations in order to assert of more and more strong control over individual wills. A boom is as advantageous as a depression for our ends for during prosperity our propaganda lines must only continue to point up the wealth the period is delivering to the selected few to divorce their control of the state. During a depression one must only point out that it ensued as a result of the avarice of a few and the general political incompetence of the national leaders...The rich, the skilled in finance, the well informed in government are particular and individual targets for the psychopolitician. His is the role of taking off the board those individuals who would halt or corrupt Communist economic programs. Thus every rich man, every statesman, every person well informed and capable in government must have brought to his side as a trusted confidant a psychopolitical operator...

Denying a Capitalist country easy access to courts, bringing about and supporting propaganda to destroy the home, creating continuous juvenile delinquency, forcing upon the state all manner of practices to divorce the child from it will in the end create the chaos necessary to Communism...By making readily available drugs of various kinds, by stimulating him with sex literature and advertising to him or her practices as taught at the Sexpol, the psychopolitical operator can create the necessary attitude of chaos, idleness and worthlessness into which can then be cast the solution which will give

the teenager complete freedom everywhere – Communism... By these means the patriotism of youth for their Capitalistic flag can be dulled to a point where they are no longer dangerous as soldiers. While this might require many decades to effect, Capitalism's short term view will never envision the lengths across which we can plan.

If we could effectively kill the national pride and patriotism of just one generation we will have won that country. Therefore there must be continual propaganda abroad to undermine the loyalty of the citizens in general and the teenager in particular.

The role of the psychopolitical operator in this is very strong. He can, from his position as an authority on the mind, advise all manner of destructive measures. He can teach the lack of control of this child at home. He can instruct in an optimum situation the entire nation in how to handle children – and instruct them so that the children, given no control, given no real home, can run wildly about with no responsibility for their nation or themselves... The misalignment of the loyalty of youth to a Capitalistic nation sets the proper stage for a realignment of their loyalties with Communism. Creating a greed for drugs, sexual misbehavior and uncontrolled freedom and presenting this to them as a benefit of Communism will with ease bring about our alignment.

In the case of strong leaders amongst youthful groups, a psychopolitical operator can work in many ways to use or discard the leadership. If it is to be used, the character of the girl or boy must be altered carefully into criminal channels and a control by blackmail or other means must be maintained. But where the leadership is not susceptible, where it resists all persuasions and might become dangerous to our Cause, no pains must be spared to direct the attention of the authorities to that person and to harass in one way or another until he can come into the hands of the juvenile authorities. When this has been effected it can be hoped that a psychopolitical operator, by reason of child advisor status, can, in the security of the jail and cloaked by processes of law, destroy the sanity of that person. Particularly brilliant scholars, athletes and youth group leaders must be handled in either one of these two ways... Just as a dog can be trained, so can a man be trained. Just as a horse can be trained, so can a man be trained. Sexual lust, masochism, and any other desirable perversion can be induced by pain-drug hypnosis and the benefit of Psychopolitics...

...Degradation and conquest are companions... However, degradation can be accomplished much more insidiously and much more effectively by consistent and continual defamation...Continual and constant degradation of national leaders, national institutions, national practices, and national heroes must be systematically carried out, but this is the chief function of Communist Party Members, in general, not the psychopolitician. The realm of defamation and degradation, of the psychopolitician, is Man himself.

By attacking the character and morals of Man himself, and by bringing about, through contamination of youth, a general degraded feeling, command of the populace is facilitated to a very marked degree.... The officials of a government, students, readers, partakers of entertainment, must all be indoctrinated, by whatever means, into the complete belief that the restless, the ambitious, the natural leaders, are suffering from environmental maladjustments, which can only be healed by recourse to psychopolitical operatives in the guise of mental healers.... **The educational programs of psychopolitics must, at every hand, seek out the levels of youth who will become the leaders in the country's future,** and educate them into the belief of the animalistic nature of Man. This must be made fashionable. They must be taught to frown upon ideas, upon individual endeavor. They must be taught above all things, that the salvation of Man is to be found only by his adjusting thoroughly to this environment....

...As it seems in foreign nations that the church is the most ennobling influence, each and every branch and activity of each and every church, must, one way or another, be discredited. Religion must become unfashionable by demonstrating broadly, through psychopolitical indoctrination, that the soul is non-existent, and that Man is an animal. The lying mechanisms of Christianity lead men to foolishly brave deeds. By teaching them that there is no life hereafter, the liability of courageous acts, while living, is thus lessened. The liability of any act must be markedly increased if a populace is to be obedient. Thus, **there must be no standing belief in the church,** and the power of the church must be denied at every hand...

The psychopolitical operative, in his program of degradation, should at all times bring into question any family which is deeply religious, and, should any neurosis or insanity be occasioned in that family, to blame and hold responsible their religious connections for the neurotic or psychotic condition. Religion must be made synonymous with neurosis and psychosis. People who are deeply religious would be less and less held responsible for their own sanity, and should more and more be relegated to the ministrations of psychopolitical operatives. By perverting the institutions of a nation and bringing about a general degradation, by interfering with the economics of a nation to the degree that privation and depression come about, only minor shocks will be necessary to produce, on the populace as a whole, an obedient reaction or an hysteria...

By releasing continued propaganda on the subject of dope addiction, homosexuality, and depraved conduct on the part of the young, even the judges of a country can become suborned into reacting violently against the youth of the country, thus mis-aligning and aligning the support of youth....

...The psychopolitical operative should also spare no expense in smashing out of existence, by whatever means, any actual healing group....

As every chair of psychology in the United States is occupied by persons in our connection, or who can be influenced by persons in our connection, the consistent employment of such texts is guaranteed. They are given the authoritative ring, and they are carefully taught... Should any whisper, or pamphlet, against psychopolitical activities be published, it should be laughed into scorn, branded an immediate hoax, and its perpetrator or publisher should be, at the first opportunity, branded as insane, and by the use of drugs the insanity should be confirmed.

...Constant pressure in the legislatures of the United States can bring about legislation to the effect that every student attending a high school or university must have classes in psychology....

...Reactionary nations are of such a composition that they attack a word without understanding of it. As the conquest of a nation by Communism depends upon imbuing its population with communistic tenets, it is not necessary that the term "Communism" be applied at first to the educative measures employed. As an example, in the United States we have been able to alter the works of Williams James, and others, into a more acceptable pattern, and to place the tenets of Karl Marx, Pavlov, Lamarck, and the data of Dialectic Materialism into the textbooks of psychology, to such a degree that anyone thoroughly studying psychology becomes at once a candidate to accept the reasonableness of Communism.

...Given any slightest encouragement, public support would swing in an instant all mental healing into the hands of the churches. And there are Churches waiting to receive it, clever churches....Among Fundamentalist and Pentecostal groups healing campaigns are conducted, which, because of their results, win many to the cult of Christianity....Just as in Russia we had to destroy, after many, many years of most arduous work, the Church, so we must destroy all faiths in nations marked for conquest. Insanity must be made to hound the footsteps of every priest and practitioner. His best results must be turned to jabbering insanities no matter what means we have to use....You need not care what effect you have upon the public. The effect you care about is the one upon officials. You must recruit every agency of the nation marked for slaughter into a foaming hatred of religious healing. You must suborn district attorneys and judges into an intense belief as fervent as an ancient faith in God that Christian healing or any other religious practice which might devote itself to mental healing is vicious, bad, insanity-causing, publicly hated and intolerable....

...We have battled in America since the century's turn to bring to nothing any and all Christian influences and we are succeeding. While we today seem to be kind to the Christian, remember we have yet to influence the "Christian world" to our ends. When that is done we shall have an end of them everywhere. You may see them here in Russia as trained apes. They do not know their tether is long only until the apes in other lands have

become unwary...You must work until “religion” is synonymous with “insanity.” You must work until the officials of city, county, and state governments will not think twice before they pounce upon religious groups as public enemies...Remember, all lands are governed by the few and only pretend to consult with the many. It is no different in America. The petty official, the maker of laws alike can be made to believe the worst. It is not necessary to convince the masses. It is only necessary to work incessantly upon the official, using personal defamations, wild lies, false evidences and constant propaganda to make him fight for you against the Church or against any practitioner...

We must strike from our path any opposition. We must use for our tools any authority that comes to hand. And then, at last, the decades sped, we can dispense with all authority save our own, and triumph in the greater glory of the Party...

...Authors of literature which seek to demonstrate the picture of a society under complete mental control and duress should be helped toward infamy or suicide to discredit their works....

...**Movements to improve youth** should be invaded and corrupted, as this might interrupt campaigns to produce in youth delinquency, addiction, drunkenness, and sexual promiscuity....

...The end of war is the control of a conquered people. If a people can be conquered in the absence of war, the end of war will have been achieved without the destruction of war. A worthy goal...and the glory of Communist conquest over the stupidity of the enemies of the People.

The End.

In attaining their goal of rewriting America’s history and the obliteration of every Christian emblem, landmark, teaching, symbol, record, law and obstacle in their way; the godless enemies

of America have successfully employed the **Hegelian Principle**, which can be explained follows: Change in a society is brought about in a three-step process: *Thesis*, *Antithesis* and *Synthesis*. The first step (thesis) is to create a problem. The second step (antithesis) is to generate opposition to the problem (fear, panic, hysteria). The third step (synthesis) is to offer the solution to the problem created in step one – change which would have been impossible to impose on the people without the proper psychological conditioning achieved in stages one and two. Applying the **Hegelian Principle**, and irresistible financial influence, concealed mattoids seek to dismantle social and political structures by which free men govern themselves – ancient landmarks erected at great cost in blood and treasure. Their objective is to emasculate America, merge nations under universal government, centralize economic powers, and control the world’s people and resources.

Why should we, as Christians in America, try to conserve our Judeo-Christian heritage and godly roots, as exemplified in Christian symbols, plaques, memorials and historical records throughout the nation? Because herein lies the strength and security of a nation formed and fashioned according to biblical truth, under God’s protective care. Herein lies America’s freedoms and liberties, as we have enjoyed and celebrated them for the past 245 years.

Where are we going?

We are going toward control, slavery and conquest by the enemies of America, who have successfully, over a long period of time, infiltrated her ranks in almost every conceivable field. The oft-repeated question, uttered of old by Joshua, servant of Jehovah God, the God of Abraham, Isaac and Jacob, the God of our Lord and Savior Jesus Christ, the God of Christopher Columbus, Governor William Bradford, William Penn, the founding fathers and countless other great American patriots, is:

*...choose for yourselves today whom you will serve:
but as for me and my house, we will serve the Lord.
(Joshua 24:15)*
